Some of these verses may seem not to be in *total* context of the subject matter, but looking at the whole picture they will in fact support the thought very well. In order to get a complete and balanced overview of God's great plan, which is he **SALVATION OF ALL**, we suggest searching out all the scriptures (preferably in the Hebrew & Greek) concerning the wicked being judged, condemned *forever, everlasting* punishment, destroyed, etc. No doubt, there will seem to be conflicting verses, and it may involve many soul searching hours, but continue on with a genuine desire to know the truth, and with dedication and prayer until the Spirit of Christ settles it firmly in your spirit with immutable clarity.

We rejoice In the light of the above scriptures, however, never forsake the truth of God's judgments upon man's rebellion, for men must stand accountable for their thoughts, words, and deeds. But it is clear **that God's judgments and man's torment are not forever**, but **age-lasting**, as it is in the ancient texts. **There is an end to both**, else His pleasures would be frustrated and never be seen throughout all eternity. Let every soul know that God has always had a wonderful plan for **every soul**. Moreover, no one and no thing can frustrate it, and He will fulfill it according to His good pleasure.
