

From panning the Word of Life  
Some small insights that will undergird those who are  
called of God to walk in *present truth*.

## DON'T BRING THE DUST WITH YOU!

**Luke 9:5** *And whosoever will not receive you, when ye go out of that city, shake off the very dust from your feet for a testimony against them.*

The city that has been in our lives is called 'Babylon'! We have heard the call and responded to it by 'coming out of her' ... (**Rev 18:4** *And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues*).

Have we shaken off the dust and effects of where we have been? How many little things (remember 'dust' particles are very small indeed!) still seem to be hanging on to our walk and talk?

Dust, speaking of the flesh or carnal thinking and reasoning, clings to us all too readily ... mostly in ways that are hard to spot.

Your testimony of how the Lord, your God has led you is to be seen in your walk. All dust particles must needs be shaken off of our walk ... then our testimony will be constant. Also any thoughts of returning to the system of organized religion will not raise its ugly head again! Never compromise, right?\*

\*\* Exceptions are when the Lord has clearly and precisely spoken to you. §
